Re: Correction to Student Status and Removal of COS from SEVIS Record
Ticket Number: SRC000192415
Student Name: LU, Yanxin
Student SEVIS Number: N0005300210
School Name: Rice University

Dear SEVIS Help Desk,

We are requesting a correction to Mr. Lu's status in SEVIS from "Terminated" to "Active" as the student is still in a valid 60-day grace period on F-1 status. His employer filed an H1B petition which was approved for **consular processing** that the student will attend at a later time. The student may obtain his H1B via consular processing anytime before 7/25/2021 and **did not receive approval for a change of status** within the US. However, the system automatically terminated the student's SEVIS record after a "change of status approved" update. We have included a copy of the I-797B Notice of Action for your review.

Mr. Lu has maintained F-1 status this entire time and we kindly ask that his F-1 SEVIS record be placed back into active status. The student plans to apply for OPT during his grace period and continue on F-1 status.

If you have any questions regarding the contents of this letter or supporting documentation, please do not hesitate to contact me directly. Thank you in advance helping us assist our international student.

Kind regards,
