- 1. TERM:** The term of this Lease is for a period of **1 year** commencing on **November 21, 2021** (the "Commencement Date") and thereafter expiring on **November 20, 2022** (the "Expiration Date"). Renewal of the Term shall be as described in Paragraph 40 herein.
- 2. RENT:** Tenant(s) shall pay monthly "Base Rent" of **\$3,608.00** plus a Code Enforcement surcharge of **\$3.61** pursuant to the Los Angeles Housing Department Code Fee Addendum attached hereto for a total monthly payment of **\$3,611.61** to **The Adler Apartments** on the **1st** day of each month. All additional fees, charges and other sums Tenant(s) shall pay Landlord under this Lease are "Additional Rent" (Base Rent and Additional Rent are referred to as "Rent"). Additional rent includes, but is not limited to, pet rent, utility charges, returned check fees and late fees, Pursuant to Cal Civil Code 1479, Landlord may, without notice to Tenant(s), apply any payments that Landlord receives from Tenant(s) to any outstanding charges (whether Rent, late fees, damage or repair charges, returned check fees, utility charges, or other Additional Rent). If the payment Tenant(s) makes does not cover the total charges outstanding, then Tenant(s) will immediately pay the difference, plus any late fees.  

"AS REQUIRED BY LAW, YOU ARE HEREBY NOTIFIED THAT A NEGATIVE CREDIT REPORT REFLECTING ON YOUR CREDIT RECORD MAY BE SUBMITTED TO A CREDIT REPORTING AGENCY IF YOU FAIL TO FULFILL THE TERMS OF YOUR CREDIT OBLIGATIONS." California Civil Code 1785.26(c)(2).
- 3. LATE CHARGE:** Tenant(s) acknowledges that Landlord will incur certain administrative costs in connection with late rental payment, and that the amount of such administrative costs would be difficult or impracticable to ascertain. Tenant agrees that the following Late Charge is a reasonable estimate of the actual damages that Landlord would incur as a result of a late payment. If Tenant(s) fails to pay Tenant(s)'s entire outstanding rent balance in full by the close of business on the **3rd** day of the month, Tenant(s) shall pay a Late Charge of **5%** of the Rent due as Additional Rent. If Landlord elects to accept Rent after the Late Charge is incurred, payment in a form other than by personal check may be required. Notwithstanding the Late Charge provision, payment of Rent in full on the **1st** day of each month is of the essence and failure to pay by the **1st** shall subject Tenant(s) to immediate service of a three-day notice to pay or quit. In the event Tenant(s)' check is dishonored by the bank, Tenant(s) shall pay a returned check charge of **\$25.00** for the first returned check and **\$35.00** for any subsequent returned check as additional Rent. A Late Charge will be imposed if the returned check causes the Rent to be late. Landlord may require future payments to be in a form other than a personal check in the event of a returned check.
- 4. SECURITY DEPOSIT:** Tenant(s) shall deposit with Landlord a Security Deposit of **\$1,500.00** as security for performance of the Lease (Total of all deposits not to exceed two (2) months' Rent for an unfurnished or three (3) months' Rent for a furnished unit). **At no time shall any portion of this deposit be considered as an advance payment of rent (including last month's rent) nor shall Tenant have the right to use or receive any refund of the Security Deposit prior to the Premises being completely vacated by all Tenant(s).** Notwithstanding the foregoing, Landlord shall have the right in its sole and absolute discretion to apply any portion of the security deposit at any time during the Term to any unpaid rent or any costs of repair or restoration due to Tenant's breach of this Lease. Within 10 days following written notice that Landlord has so applied any portion of the Security Deposit, Tenant shall be obligated to restore the Security Deposit to its full original balances as required by this Lease. After the Premises are completely vacant, Landlord shall furnish Tenant(s) with an itemized written statement of the basis for, and the amount of, any security withheld and shall return any remaining portion of such security to Tenant(s) within twenty-one (21) days pursuant to California Civil Code §1950.5. The parties incorporate herein by reference the attached Security Deposit Refund and Move-Out Instructions Addendum as well as the Unit Inspection Report that the parties completed and executed prior to move-in documenting the condition of the Premises and inventory of furnishings. Tenant(s) will provide Landlord a written list of any items that Tenant(s) discovers are not in clean or operable condition within 3 days after Commencement Date. If the Premises are covered by the Los Angeles City Rent Stabilization Ordinance, Landlord shall annually credit Tenant(s) with interest on all security deposits held for at least one (1) year for Tenant(s).
- 5. UTILITIES:** Tenant(s) shall pay for all utilities, services and charges applicable to the Premises. If utilities are separately metered, Tenant(s) shall place utilities in Tenant(s)' name as of the Commencement Date. If any utilities are not separately metered, Tenant(s) shall pay Tenant(s)' proportional share, as reasonably determined and directed by Landlord, pursuant to the attached Utilities Allocation Addendum which is incorporated herein by reference. To the extent permitted by law,

any delinquent payment of a utility allocation pursuant to the terms of the Utilities Allocation Addendum shall be considered a default under the Lease to the same extent and with the same remedies to Landlord (including without limitation the right to bring an unlawful detainer action for eviction) as if Tenant(s) had been delinquent in Tenant(s)' payment of Base Rent.

**6. USE AND OCCUPANCY:** Tenant(s) agrees to use and maintain the Premises as follows:

**7. NO ASSIGNMENT, SUBLETTING AND TRANSFER BY TENANT(S):** Tenant(s)' interest in the Premises and this Lease may not be assigned, sublet or otherwise transferred without the express written consent of Landlord. Tenant(s) may not advertise the Premises (or any portion of it) on HomeAway, VRBO, Airbnb, FlipKey, Couchsurfing, Craigslist, or any other advertisement or listing service. Any assignment, subletting or transfer (whether by voluntary act, operation of law, or otherwise), will be void, and a violation of this Lease.

**8. NO PETS, WATER BEDS OR BARBEQUES:** Unless otherwise provided in California Civil Code Section 54.2 or 1940.5, Tenant(s) agrees that he/she will not, without Landlord's express consent in writing endorsed hereon, bring upon, keep, maintain or permit to be kept or maintained, in, on, or upon the Premises any dog, cat, bird, or other animal/pet, any waterbeds, or any barbeques or other open flame devices (except camping stoves).

Tenant(s) agrees that Landlord may suffer certain administrative costs and consequential damages in the event entry cannot be made due to Tenant(s)' actions or lack thereof. If any properly requested entry cannot be made due to Tenant(s)' actions or lack thereof, Tenant(s) shall reimburse Landlord for any such costs or damages resulting therefrom, which shall be considered additional Rent.

Tenant(s) agrees not to change or add any lock or locking device to said Premises without the prior written consent of the Landlord, and Tenant(s) will, upon demand, furnish Landlord with all keys for the purpose of making duplicates thereof.

**10. PERIODIC PEST CONTROL; TEMPORARY RELOCATION:** Landlord has entered into a contract for periodic pest control treatment of the apartment community and Premises and has provided Tenant(s) with the attached Pest Control Notification Addendum originally given to Landlord by the contracted pest control company, which outlines the chemicals used in controlling pests within the apartment community. Tenant(s) understands that spraying includes regularly scheduled visits (up to once a week) by the exterminator in all of the exterior common areas of the building (as needed) to

prevent pest/termite infestation, etc. Upon demand by Landlord, Tenant(s) shall temporarily vacate the Premises for a reasonable period of time to allow pest or vermin control work to be done. Tenant(s) shall comply with all exterminator instructions regarding the preparation of the Premises for the work, including the proper bagging and storage of food, perishables and medicine. Tenant shall only be entitled to a rent credit equal to the per diem Rent for the period of time Tenant is required to vacate the Premises and only if Landlord does not provide Tenant(s) with alternate housing and Tenant was not the cause of the infestation.

TENANT(S) INITIAL to acknowledge that he/she has received the Pest Control Notification Addendum and has read and understood this paragraph.

**11. MAINTENANCE AND REPAIRS:** Tenant(s) agrees to return the Premises to the Landlord in the same condition as it was received (as further described on the Unit Inspection Report), ordinary wear and tear excepted. If Tenant(s) fails to complete and sign the Unit Inspection Report at move-in or to report any deficiencies, it will be conclusively presumed that the Premises are in excellent condition. Tenant(s) shall be responsible at its expense, for keeping and maintaining the Premises in good, clean, sanitary condition and repair. Without limiting the generality of the foregoing, Tenants(s) shall:

- a. Use ordinary care in maintaining the Premises;
- b. Not obstruct the driveways, sidewalks, courts, entry ways, stairs and/or halls, which shall be used for the purposes of ingress and egress only;
- c. Keep all windows, glass, window coverings, doors, locks and hardware in good, clean order and repair;

- j. Not occupy areas other than his/her Premises or utilize, live, sleep, cook or dine in portions thereof for purposes other than those for which these portions were respectively intended for; and
- k. Deposit all trash, garbage, rubbish or refuse in the locations provided therefore and shall not allow any trash, garbage, rubbish or unsightly materials to be deposited or permitted to stand on the exterior of any building (including balconies) or within the common elements or Premises.

Tenant(s) shall immediately notify Landlord in writing of any deficiencies, dangerous conditions or repairs required in or about the Premises. Except in cases of emergency, all requests for repairs and notices regarding condition of the Premises must be made in writing in order to ensure that Landlord receives and properly processes such request/notice. Landlord is responsible for repairs to Premises and the apartment community; however, Tenant(s) is responsible for any loss of rents, damages or costs of repair required due to misuse or neglect (including failure to report deficiencies) by Tenant(s), Tenant(s)' invitees/guests or Tenant(s)' pet(s), including but not limited to failure to observe provisions (a)-(k) above. Furthermore, Tenant(s) agrees to indemnify, defend (with Landlord's counsel of choice) and hold Landlord harmless from any liability, costs (including reasonably attorneys fees) or claims resulting from Tenant(s)' breach of this Lease or the negligence, violation of law or willful misconduct of Tenant(s), or Tenant(s)' invitees or guests, which obligation shall survive any termination of this Lease.

Unless otherwise specified by law or the Security Deposit Refund and Move-Out Instructions Addendum attached hereto, without Landlord's prior written consent, Tenant(s) shall not make any alterations or repairs in or about the Premises including, without limitation, installing any satellite dish(es) or antennas, placing signs, painting or using any screws, large nails or adhesive materials. To the extent allowable by law, any repairs initiated by Tenant(s) shall be performed by a vendor approved by Landlord. Invoice and proof of payment for such repairs must be provided to Landlord within seven (7) days of work completion.

If the Premises become uninhabitable as defined under California Civil Code §1941.1, Landlord shall bear expense of the repair unless Tenant(s) causes the condition that makes the Premises uninhabitable, including items without limitation

failing to observe (a), (d), (g), (h), (i), (j) or (k) above, in which case Tenant(s) shall bear the expense of repair.

**12. INTERRUPTION OF SERVICES:** Landlord shall not be liable for, and this Lease shall not be terminated by reason of, any interruption of, or interference with, services or accommodations due Tenant(s), caused by Acts of God, strike, riot, orders of public authorities, illness or pandemic, acts of other tenants, accident, the making of necessary repairs to the building of which said Premises are a part, or any other cause beyond Landlord's control. Tenant(s) agrees to indemnify and hold Landlord harmless from all liability from any such injury, loss or damage.

**13. EFFECT OF DAMAGE OR DESTRUCTION:** In the event of damage to or destruction of the Premises or the building of which the Premises are a part by fire, flood, earthquake, or any other cause or causes, Landlord shall have the option to:

- a. Treat this Lease as continuing and repair or restore the Premises to their original condition before such damage or destruction within thirty (30) days of the occurrence of the same, or if insured, within thirty (30) days after Landlord receives permission from the insurer to proceed with repair or restoration; or
- b. Terminate this Lease and all further obligations hereunder of either party by written notice to Tenant(s); or
- c. After the occurrence of such damage or destruction, the Tenant(s)' obligation to pay Rent hereunder during the period of repair or restoration shall be reduced in an amount which Landlord, in its sole discretion, shall determine to be proportionate to the area of the Premises rendered unfit for use by Tenant(s) during the period of repair or restoration.
- d. Notwithstanding Subparagraphs (b) and (c), if Tenant(s) causes the damage, Tenant(s) shall not have the right to terminate or to receive a Rent reduction. Additionally, Tenant(s) will not be entitled to a Rent reduction if Landlord provides alternate housing.

**14. LIMITATION ON LANDLORD'S AND PROPERTY MANAGER'S LIABILITY:** Except as otherwise provided by law, neither Landlord nor property manager shall be liable for any injury or illness, including death to any person caused by any use of the Premises or the common areas by any person, including but not limited to, other tenants, or arising from any accident or fire or any casualty thereon, or any other cause whatsoever, nor shall Landlord or property manager be liable for any loss of or damage to any personal property belonging to Tenant(s) or its guests or invitees located on Premises or other facility under the control of Landlord. Tenant(s) hereby agrees to release and hold Landlord and property manager harmless from all liability for any such injury, loss or damage, which indemnity shall survive the expiration of this Lease. Landlord and property manager shall not be liable for misleading messages or non-acceptance or non-delivery of messages or packages.

IT IS UNDERSTOOD BY TENANT(S) THAT TENANT(S)' FURNITURE AND PERSONAL PROPERTY ARE NOT INSURED BY LANDLORD. IT IS STRONGLY RECOMMENDED THAT TENANT(S) PURCHASE A RENTER'S INSURANCE POLICY TO PROTECT ITSELF AGAINST PERSONAL INJURY AND PROPERTY DAMAGE INCLUDING LOSSES FROM FIRE, SMOKE, THEFT WATER DAMAGE AND VANDALISM.

Tenant(s) acknowledge(s) that he/she will bear all risk of damage or loss to furniture and personal property (including any furnishings provided by Landlord) located on the Premises whether caused by theft, disappearance, negligence, misuse or abuse (including without limitation damage by cigar or cigarette burns, pets, and insect infestation).

**15. MATERIAL DEFAULTS:** The occurrence of any one or more of the following events shall constitute a material default or breach of this Lease by Tenant(s):

- a. The abandonment of the Premises by Tenant(s). The Premises shall be deemed abandoned if:
  - i. any installment of Rent has been due and unpaid for at least 14 consecutive days, and Landlord believes Tenant(s) has been absent from the Premises for a period of 14 consecutive days; and
  - ii. Landlord serves a notice of belief of abandonment on Tenant(s) pursuant to California Code of Civil Procedure Section 1951.3; and
  - iii. Tenant(s) fails to provide Landlord with a written notice, prior to the date specified in the Landlord notice, stating x) that Tenant(s) does not intend to abandon the Premises and y) an address at which Landlord may serve Tenant(s) by certified mail with an unlawful detainer action.
- b. Tenant(s)' failure to make any payment of rent or any other payment required to be made by Tenant(s) hereunder as and when due.
- c. Any single violation of any of the provisions of the Crime-Free/Drug Free Addendum attached hereto and incorporated herein by reference.
- d. Tenant(s)' failure to observe or perform any of the covenants, conditions or provisions of this Lease to be observed or performed by Tenant(s) other than described in sub-paragraph (b) and (c), where such failure shall continue for a

period of three (3) days after written notice thereof from Landlord to Tenant(s).

e. The discovery by Landlord that any portion of the rental application given Landlord by Tenant(s) was materially false.

**16. REMEDIES:** In the event of any material default or breach of this Lease by Tenant(s), Landlord may at any time thereafter, with or without notice or demand, and without limiting Landlord in the exercise of any right or remedy which Landlord may have by reason of such default or breach, terminate Tenant(s)' right to possession of the Premises by any lawful means, in which case this Lease shall terminate and the Tenant(s) shall immediately surrender the Premises to the Landlord. All remedies specified in this Lease for non-compliance are cumulative.

a. In the event of termination, Landlord may recover from Tenant(s) the amount provided in California Civil Code Section 1951.2 including the worth of the amount by which the unpaid rent for the balance of the term exceeds the amount of such rental loss for the same period that the Tenant(s) proves could be reasonably avoided. Upon re-entry by Landlord following such termination, Landlord may consider any personal property belonging to the Tenant(s) and left on the Premises to be abandoned, and may dispose of all such personal property in accordance with applicable law, as set forth in Sections 1980-1991 of the California Civil Code.

b. If termination of this Lease is obtained through the provisional remedy of unlawful detainer, Landlord shall have the right to recover in such proceeding any unpaid rent and damages as are recoverable therein, or Landlord may reserve the right to recover all or any part thereof in a separate suit. The exercise of, or failure to exercise, any remedy provided herein shall not be deemed a waiver of Landlord's rights to have that or any other remedy specified herein or at law or equity for any breach of the same or any other provision of this Lease. Failure by Landlord to exercise any of its rights under this Lease, or Landlord's acceptance of rent after any default shall not be considered or construed as a waiver of any right of Landlord or to affect any notice or legal proceedings theretofore given or commenced.

**ARBITRATION OF ANY DISPUTES:** Except for i) Unlawful Detainer actions, ii) personal injury action, iii) actions capable of being adjudicated in Small Claims Court, and (iv) any issue concerning the availability of class, collective and/or representative arbitration, and/or the class, collective and/or representative action waiver included in this Agreement, which shall be decided only by a court of competent jurisdiction, not an arbitrator, any claims for any disputes, directly or indirectly relating to or arising out of Tenant(s)' occupancy of the Premises or this Lease, including without limitation, the existence of hazardous substances in, on or about the apartment community, the Premises, or both, whether based on the theory of negligence, strict liability, fair housing, discrimination, civil rights, breach of Landlord's warranty of habitability, violation of statute or any other theory, shall be submitted to and decided by binding arbitration. Any such claims shall be brought in the parties' individual capacity, and not as plaintiff or class member in any purported class, collective, or representative proceeding. Tenant waives the right to bring any claim on a class collective, and/or representative basis, in court, arbitration, or in any other forum, as a named or unnamed plaintiff, participant, class member or in any other capacity. The arbitrator shall have no power to arbitrate class, collective and/or representative actions. Tenant further agrees that if Tenant is included in any class and/or collective action, Tenant will take all steps necessary to opt out or refrain from opting in. Moreover, any arbitration shall be held in the city and state where the Premises are located in accordance with the American Arbitration Association rules for a single arbitrator. The costs of the arbitration shall be apportioned by the arbitrator. The arbitrator's award shall be enforceable in any court of competent jurisdiction. The arbitration shall be confidential to the fullest extent permitted by law. The arbitrator will apply whatever statute(s) of limitations applicable by law to the parties' claim(s). Each party shall have the right to conduct discovery sufficient to vindicate the claims at issue, including access to essential documents and witnesses, as determined by the arbitrator. The arbitrator shall issue a signed written decision setting forth the basis for the decision and summarizing the key issues and the essential findings and conclusions upon which the award is based. The arbitrator shall have full authority to award all relief available in a court of law, including but not limited to compensatory and punitive damages, reinstatement, costs, and attorneys' fees as provided by contract or statute.

Any claim required to be arbitrated under this Agreement shall be submitted to mediation in a manner agreed to by Tenant and Landlord. Tenant and Landlord agree to use mediation to attempt to resolve any such claim prior to filing for arbitration under this Agreement. Tenant and Landlord will select a mediator agreeable to both parties. The parties will cooperate with the mediator on mediation arrangements, including time and place for mediation, who will attend or participate, and what information will be exchanged.

**TENANT(S) BY INITIALING BELOW AGREES TO HAVE ANY DISPUTE ARISING OUT OF THE MATTERS INCLUDED IN THIS ARBITRATION OF DISPUTES' PROVISION DECIDED BY NEUTRAL ARBITRATION AS PROVIDED BY CALIFORNIA LAW, AND WAIVES ANY RIGHTS TENANT(S) MAY POSSESS TO HAVE THE DISPUTE LITIGATED IN A COURT, TO JURY TRIAL. IF TENANT(S) REFUSES TO SUBMIT TO ARBITRATION AFTER AGREEING TO THIS PROVISION, TENANT(S) MAY BE COMPELLED TO ARBITRATE UNDER THE AUTHORITY OF CALIFORNIA CODE OF CIVIL PROCEDURE.**

**TENANT(S) ACKNOWLEDGES IT HAS RECEIVED AND UNDERSTOOD THE PROVISIONS OF CALIFORNIA CIVIL CODE SECTIONS 1941 AND 1942 INCLUDED IN THE ATTACHED ARBITRATION ADDENDUM INCORPORATED HEREIN BY REFERENCE AND FURTHER ACKNOWLEDGES THAT TENANT(S)' AGREEMENT TO THIS ARBITRATION PROVISION IS VOLUNTARY.**

TENANT(S) INITIALS

**17. ATTORNEYS FEES:** In any legal action, the prevailing party in addition to all other relief shall recover reasonable attorney's fees, expert witness fees, and other legal costs not to exceed \$1,000 including court costs.

**18. VEHICLES AND PARKING:** Landlord reserves the right to control parking and to tow away, at vehicle owner's expense, any vehicle not kept in compliance with applicable rules, requirements and law (which include but are not limited to causing an unsafe or hazardous condition or parked in an unauthorized space or restricted area or otherwise blocking access). No automobile or other motor driven vehicle may be brought onto the Premises unless such vehicle complies with governmental noise limitations, is free from leaking fluids, is insured for public liability/property damage, is operable and currently registered. Parking spaces may be used only for passenger and light utility vehicles.

**19. EARLY TERMINATION OPTION:** Tenant(s) is expected to remain a tenant for the entire Term specified in Paragraph 1. If Tenant fails to do so, Tenant(s) will be responsible to Landlord for all damages provided by law, including (but not limited to) rent due through the end of the Lease Term, minus rents paid by a replacement tenant (if any). This amount will vary depending upon how long it takes the Landlord to find a replacement tenant. Therefore, this amount cannot be determined in advance and is difficult to estimate.

To avoid this uncertainty, Tenant(s) may choose to exercise an early termination option. Tenant(s) may choose to pay a flat fee in advance to terminate the Lease early, rather than remaining liable for Rent due through the end of the Lease Term. To exercise this option, Tenant(s) must deliver to Landlord:

- a. a written notice signed by all Tenant(s) stating that Tenant(s) has elected to exercise this option;
- b. an early termination option fee equal to one month's Rent (pursuant to Paragraph 2 above, as may be revised by law) plus an amount equal to rent concessions received by Tenant(s) upon signing the Lease (if any);

When Landlord has received the written notice and payment, and has signed the notice, the Lease termination date will be amended. The new Expiration Date will be the date specified in the notice which must be at least sixty days after the written election and payment are given to Landlord. Exercise of the early termination option will affect only Tenant's rent obligations after the accelerated Expiration Date. Following any notice of termination, Tenant(s) shall continue to comply with all terms of the Lease through the later of the date of vacation of the Premises or the accelerated Expiration Date.

The notice will not accelerate the Expiration Date and shall be automatically voided if:

- a. Tenant(s) is in default under the Lease at the time that Tenant(s) gives notice of Tenant(s)' exercise of the option or at the time of the accelerated Expiration Date;
- b. Tenant(s) provides the notice unaccompanied by the fee above or does not provide the notice at least 60 days in advance.

**20. MODIFICATION OF TENANCY:** After expiration of the Term, the tenancy may be modified by Landlord with 30 days advance notice in writing as provided by California Code of Civil Procedure Section 1162, including any Rent increase which when added to all other increases during the prior 12 months, is 10% or less of the lowest rent charged during the prior 12 months. If the amount of a rent increase, when added to all other increases during the prior 12 months, exceeds 10% of the lowest rent charged during the prior 12-months, Landlord must serve a 60-day rent increase notice.

**21. WAIVER:** Waiver by Landlord of a breach of any covenant of this Lease will not be construed to be a continuing waiver of any subsequent breach. Landlord's receipt of rent with knowledge of Tenant(s)' violation of a covenant does not waive its rights to enforce any covenant of this Lease.

**22. SMOKE AND CARBON MONOXIDE DETECTORS:** The Premises are equipped with Smoke [  ] and Carbon Monoxide] Detection device(s) ("Detectors"):

- a. Tenant(s) acknowledges that the Detectors were tested and their operation explained by Landlord in the presence of the Tenant(s) at the time of initial occupancy and that the Detectors were in proper working order at the time.
- b. Each Tenant(s) shall perform the Manufacturer's recommended test to determine if the Detector(s) are operating properly at least once a week.
- c. \_\_\_\_\_ TENANT(S) INITIAL only if battery operated. By initialing as provided, each Tenant(s) understands that the Detectors and Alarms are battery operated and it shall be each Tenant(s)' responsibility to:

- i. Ensure that each battery is in operating condition at all times,
  - ii. Replace each battery as needed (unless otherwise provided by law),
  - iii. If, after replacing the battery, the Detector(s) do not work, inform the Landlord immediately in writing.
- d. Tenant(s) must inform the Landlord immediately, in writing, of any defect, malfunction or failure of any detector(s).
- e. If local law requires the Landlord to test the Detectors, Tenant(s) shall allow Landlord access to the Premises for that purpose.

In that regard, note that while Landlord is not specifically aware of any ACM in the Premises, it is possible that given the age of the building, ACM may be present. ACM may be present in the sprayed on acoustical ceiling material (which has a "cottage cheese" appearance) in the Premises and in the hallway and other areas in the building in which the Premises are located. Asbestos may also be present in

other materials in the Premises and the building, including the insulation, fireproofing and floor tiles.

Landlord has instituted an Operations and Maintenance Program directed at maintaining the Premises in accordance with any application Federal and Safety requirements regarding asbestos-containing materials. This program is designated (among other things) to prevent the release of asbestos fibers into the air, minimize disturbances or damage to asbestos-containing materials; monitor the conditions of materials and air in the building; and regulate maintenance, renovation and construction activities. No matter how small the percentage of such material may be, Tenant and Tenant's invitees shall comply with such rules and regulations as Landlord from time to time may prescribe in connection with Landlord's Operations and Maintenance programs, including without limitation to the following:

Tenant also agrees not to sand, cut or otherwise abrade dry wall material, and not to drill into fire doors or remove door knobs.
- b. Tenant shall notify Landlord immediately in writing: (1) if there is any damage of ceiling or floor tiles in the Premises, including (without limitation) loose, cracking, hanging, or dislodged materials, water leaks, or stains in the ceiling or floor tiles; (2) upon occurrence of any of the activities described above under Sub-section (a).
- c. California Health and Safety Code Section 25249.6 requires notice to be provided to persons warning that they may be exposed to chemicals known in the State to cause cancer. Asbestos is one of those chemicals. Tenant(s) is advised to satisfy him/herself with regard to any sources of and amounts of noise at different times of day and night.

**30. SCHOOLS:** Tenant(s) is advised that household members living in the Property may not, for numerous reasons, be permitted to attend the school nearest the Property. Various factors including, but not limited to, open enrollment policies, busing, overcrowding and class size reductions may affect which public school serves the Property. # SECURITY DEPOSIT REFUND & MOVE OUT INSTRUCTIONS

(Addendum to Fixed Term Lease)

1. **USE OF SECURITY DEPOSIT:** Section 1950.5 of the California Civil Code provides that a tenant's security deposit may be used by Landlord as reasonably necessary to accomplish the following four purposes:
  - a. For unpaid rent (subject to Paragraph 4 of the Lease);
  - b. For repair of damages, other than normal wear and tear;
  - c. For cleaning the rental unit when the tenant moves out as necessary to make the unit as clean as it was when the tenant first moved in (subject to a "reasonable efforts" exception as provided below; and
  - d. For the cost of restoring or replacing furnishings or other items of personal property (including keys and gate openers), other than normal wear and tear.
2. **ACCOUNTING OF DEPOSIT:** Within 21 days following move-out, Landlord will mail to the forwarding address you provide an itemized statement that lists the amount of any deductions from the security deposit and the reasons for the deductions, together with a refund of any amount not deducted. Landlord will include copies of invoices from any third party vendors for the charges that Landlord incurred and deducted, unless Landlord does not have invoices within the 21 days, in which case Landlord will a) provide a good faith estimate of charges in the itemized statement along with the name, address and telephone number of the business that is supplying the services or materials, and b) within 14 calendar days after receiving the invoices, mail you a corrected itemized statement, the invoices described above, and any refund to which you are entitled. Landlord is not required to provide receipts if the total work does not exceed \$125.
3. **RIGHT TO PRE-MOVE-OUT INSPECTION AND TO REPAIR AS FOLLOWS:** (i) After giving or receiving notice of termination of a tenancy, Tenant has the right to request that an inspection of the Premises take place prior to termination of the Lease. If Tenant requests such an inspection, Landlord's Property Manager will make all reasonable attempts in advance of the move-out date to schedule the inspection at a time that is conducive to the schedule of the Tenant; (ii) Based on any such inspection, Landlord shall give the Tenant an itemized statement specifying repairs or cleaning (collectively, "Deficiencies") that are proposed to be the basis of any deductions from the Security Deposit that Landlord intends to make pursuant to California Civil Code 1950.5(b); (iii) Tenant shall have the opportunity to cure the Deficiencies prior to termination, consistent with the terms of the Lease and this Addendum. Work to cure the Deficiencies may be performed by Tenant or through others, who have adequate insurance and licenses and are approved by Landlord. The work shall comply with applicable laws, including governmental permit, inspection and approval requirements. All work shall be performed in a good, skillful manner with materials of quality and appearance comparable to existing materials. Additional guidelines for performing work are provided below; (iv) For any Deficiencies cured by Tenant, Tenant shall: (a) obtain receipts for any work performed by others; (b) prepare a written statement indicating the work performed and the date of such work; and (c) provide copies of receipts and statements to Landlord prior to termination; (v) This right to cure Deficiencies does not apply when the tenancy is terminated pursuant to California Code of Civil Procedure § 1161(2), (3) or (4).
4. **CLEANING AND PAINTING STANDARD GUIDELINES:**
  - A. **GENERAL CLEANING:** You must conduct a thorough cleaning of the Premises including all countertops, drawers, cabinets and mirrors (including mirrored closet doors, if applicable); clean all storage closets/balconies/patios by sweeping them out and wiping them down and removing any trash; clean all appliances inside and out, clean all sinks, vanities, toilets, and bathtubs (including tracks, hardware and drains); remove hair, debris, mildew and soap scum in bathrooms; clean all floors (including baseboards); clean all light fixtures and ceiling fans; clean all interior windows sills, blinds, and screens; and vacuum all carpet and remove any stains.
  - B. **CARPET CLEANING:** When necessary, steam clean/shampoo carpet, including removal of all stains, such that the carpet is cleaned and sanitized. You must use equipment and cleaning solutions which do not damage the carpet.
  - C. **APARTMENT PAINTING:** When repair is necessary (beyond ordinary wear and tear) use the proper matching paint and apply with the correct roller or brush; remove outlet/switch covers; remove window covers/valances/headrails; use masking tape for outlets/ switches/light fixtures/door hardware, etc., to protect them; patch holes/cracks using spackling material; use drop cloths or heavy plastic sheeting to cover all flooring to protect from spills; prime all repaired areas; clean all surfaces prior to painting; and sand enamel surfaces as necessary. **HAZARDOUS MATERIALS WARNING:** You may not paint any applied acoustic material ceiling ("popcorn ceiling"). Do not dispose of paint or cleaning solvents in the sinks, toilet or garbage containers as such disposal is a violation of law and you may incur fines and costs. Any excess paint or solvents must be disposed off-site or at an approved facility.

- D. You are not required to hire an outside service to clean the Premises or carpets or to re-paint the walls or ceilings or cure any other Deficiencies in the Premises in order to comply with the guidelines contained herein; however, please be advised that any repairs or cleaning undertaken by you which do not meet the required standards in this Addendum will still subject you to deductions from your Security Deposit pursuant to California Civil Code Section 1950.5 and if such deposit is insufficient to satisfy the total charges incurred by Landlord to properly clean and perform repairs (subject to the maximum charges listed in Section 6 below), then you will also receive an itemized bill payable upon demand. Therefore, Landlord recommends you consider hiring a professional from our list of approved vendors who will guaranty the quality of work at a reasonable flat rate.
- E. If you return the Premises in a reasonably clean condition demonstrating that you used "reasonable efforts" to clean the Premises and repair all damages ("reasonable efforts" means compliance with Sections 2 A-C above) caused by you or your guests, licensees, or invitees excepting ordinary wear and tear, and you have otherwise complied with the provisions of the Lease, then you will be entitled to a full return of your Security Deposit. Additionally, there will be no deduction from your Security Deposit nor will you incur any painting charges for minor touch-ups, plaster repairs and fill-in holes that are the result of reasonable use of the Premises by a reasonable tenant. Any damage that is beyond reasonable wear and tear or reasonable use may be charged against the Security Deposit. Such damage may include, but is not limited to, cigarette burns to carpet or counters, stains or scars, or excessive odor caused by pets, smoking or cooking which require extra cleaning, repairs or replacements.

- 5. **PRORATION OF PAINT:** Pursuant to the 'Department of Consumer Affairs California Tenants: A Guide to Residential Tenants' and Landlords' Rights and Responsibilities', if Tenant(s) leaves the walls in a condition that requires repainting upon move out, Tenant(s) shall be charged according to the following formula: (Cost to paint walls/36 months) x (36 months -number of months that Tenant(s) occupied the Premises). Tenant(s) will not incur any change for painting if their tenancy is three (3) years or more, or the need for painting the Premises is merely due to ordinary wear and tear, fading, oxidation, blistering, or any other condition that occurs simply through the passage of time with respect to painted surfaces.
- 6. **PRORATION OF CARPET REPLACEMENT:** Pursuant to the 'Department of Consumer Affairs California Tenants: A Guide to Residential Tenants' and Landlords' Rights and Responsibilities', if Tenant(s) leaves the carpet in a condition that requires the carpet be replaced upon move out, then Tenant(s) will be charged according to the following formula: (Total Amount to replace carpet/60 months) x (60 months-the number of months the carpet has been in the Premises). Tenant(s) will not incur any charge for carpets that are over 5 years old.
- 7. **MOVE-OUT INSPECTION:** Management will make all reasonable attempts in advance of Tenant(s)' move-out date to schedule a move-out inspection at a time that is conducive to Tenant(s)' work and personal schedule. When management receives Tenant(s)' notice to vacate the Premises, management will provide Tenant(s) with a Move-Out Inspection Notice requesting Tenant(s)' available date and time for a move-out inspection. Move-out inspections will normally be conducted between 9:00 a.m. and 5:00 p.m. Monday through Sunday. If Tenant(s) is unable to attend a move-out inspection during these time periods, management will make reasonable efforts to conduct the move-out inspection at a mutually acceptable time.
- 8. **LANDLORD/MANAGER PERFORMED WORK:** Any repairs, painting or cleaning performed to the premises when vacated may be performed by Apartment Maintenance Services, a wholly owned division of R.W. Selby and Company, Inc. an affiliate of Landlord. The itemized pricing for any such repairs, painting, or cleaning that may be charged to Tenant(s) is attached as Exhibit "A". The charges on Exhibit "A" are not meant to be an inclusive list of all items which may require repair. Landlord may change the maximum charges set forth in this Addendum to reflect current marketplace prices by giving Tenant(s) at least thirty (30) days prior written notice of changes. Notwithstanding the foregoing, Tenant(s) will not be charged in excess of prevailing marketplace prices for any necessary work.

According to state law:

According to Civil Code Section 1950.5(b), the security deposit may be used by the Landlord for any purpose, including, but not limited to, any of the following:

- (1) The compensation of a landlord for a tenant's default in the payment of rent.
- (2) The repair of damages to the premises, exclusive of ordinary wear and tear, caused by the tenant or by a guest or licensee of the tenant.
- (3) The cleaning of the premises upon termination of the tenancy necessary to return the unit to the same level of cleanliness it was in at the inception of the tenancy.
- (4) To remedy future defaults by the tenant in any obligation under this rental agreement to restore, replace, or return personal property or appurtenances, exclusive of ordinary wear and tear, if the security deposit is authorized to be applied thereto by the rental agreement.

From the time of the Initial Inspection until the termination of the tenancy, the tenant may remedy the deficiencies identified in the Initial Inspection, in a manner consistent with the rights and obligations of the parties under the Lease and Security Deposit Refund Addendum, in order to avoid deductions from the security deposit.

**The law allows the Landlord to use the security deposit for legal deductions itemized in this statement that are not corrected by the Tenant(s) prior to the termination of the tenancy or that were not identified due to the presence of the Tenant(s)' possessions during the time of the initial inspection. It also allows Landlord to use the security deposit to correct any damages that occur to the premises between the time of the initial inspection and the termination of the tenancy. An itemized statement will be sent to you within 21 calendar days after the Landlord has regained possession of the premises.**

# HOUSE RULES AND REGULATIONS

(Addendum to Fixed Term Lease)

Please be advised these provisions are general to R.W. Selby and Co., Inc. managed properties, therefore, some Rules and Regulations may not be applicable to your apartment community. The Rules and Regulations are for the protection and benefit of all and to assure safe and sanitary operation of the facilities. Failure to comply with the rules may result in barring violators from use of the recreational facilities.

## APARTMENTS/GENERAL

- Please keep your kitchen appliances clean. Do not let grease collect in the broiler and above all, do not cover the racks and trays with aluminum foil as this practice may cause fire.
- Tenant(s) is responsible for stoppage of the sinks, drains, tubs, and garbage disposal. Please do not put paper towels, diapers, sanitary napkins, baby wipes or kitty litter in the toilets. Please do not put grease or hard or thick objects, food or otherwise, in the garbage disposal as these jam the blades and pipes. Please be sure to run cold water when properly disposing of waste in the garbage disposal and allow the water to run a few seconds afterwards.
- All doors must be kept closed and properly locked during absence of Tenant(s). Landlord cannot admit anyone into the Premises (not even household members) unless we receive written authorization from you.
- Lockouts. If you lock yourself out of the Premises after business hours, contact the Landlord via the emergency call number. Should it happen again, you will be subject to a **\$75.00** lockout charge.
- Care for Fiberglass/Tub and Shower Doors. For regular cleaning, use a wash cloth, warm water and any liquid cleaner or detergent, for example DOW Bathroom Cleaner. For stubborn stains, paint or tar, use acetone. Household cleaning solvents or bleaches using a nylon scouring pad may also be used. Please DO NOT use a metal scraper, steel wool, razor blades, etc. OR abrasive cleaners as they will damage the surface of the tub/shower. Dulled surfaces may be restored to their original shine by rubbing out the dulled area with a good automotive type cleaning or rubbing compound such as Dupont # 7 White Compound. The area then can be buffed out with a light application of automobile wax. Once the smooth shine is restored, the surface will, again, be easy to clean in a regular fashion.
- Do not install screen doors without obtaining written authorization from Landlord.
- Do not post or distribute flyers without Landlord's prior written consent.
- No satellite dishes, antennas or outside wire shall be installed without Landlord's prior written consent. Tenants\Guests\Visitors are not permitted on the roof at any time.
- Windows. Please do not place aluminum foil, decals or other material on any window. Draperies, blinds, shades, sunscreens or awnings of any type may not be installed on any part of the building without written authorization from the Landlord.
- No clothing, laundry, mops, etc. may be hung over the balconies, lanais, stairways or railings. Please do not use these areas for storage (for example bicycles and motorcycles) or any purpose other than plants and outdoor furnishings. If in doubt, please contact your Landlord.
- Barbeque Grills. Except for camping stoves or electric grills, no barbeque grills or other open flame devices are permitted without the written consent of the Landlord.
- You may only hold a party with your neighbor's and roommate's consent. If you do hold a party and your neighbors complain, you will be issued a warning. If a second complaint is received, then you must discontinue the party.
- If your management receives three noise complaints on three different nights regarding the Premises, you will be issued a warning. If we receive a fourth complaint we reserve the right to not renew the Lease.
- If management receives three nuisance complaints on three different days regarding smoke emanating from your unit, you will be issued a warning. If we receive a fourth complaint we reserve the right not to renew the Lease.

# PEST CONTROL NOTIFICATION

(Addendum to Fixed Term Lease)

State law requires that you be given the following information: CAUTION-PESTICIDES ARE TOXIC CHEMICALS. Structural Pest Control Operators are licensed and regulated by the Structural Pest Control Board, and apply pesticides which are registered and approved for use by the California Department of Food and Agriculture and the United States Environmental Protection Agency. Registration is granted when the state finds that based on existing scientific evidence there are no appreciable risks if proper use conditions are followed or that the risks are outweighed by the benefits. The degree of risk depends upon the degree of exposure, so exposure should be minimized. The apartment community may be treated for the following pests as frequent as once a week: roaches, ants, spiders, silverfish, sow bugs, earwigs, crickets, rats, mice, beetles and waterbugs. If within 24-hours following application you experience symptom similar to common season illness comparable to the flu, contact any of the following: your pest control operator, for Health Questions: County Agriculture Commission - Orange (714) 447-7100, Los Angeles (626) 575-5472, Riverside (951) 955-3045, San Bernardino (909) 387-2015, Ventura (805) 933-3165. # ADDENDUM FOR CRIME AND DRUG FREE HOUSING

(Addendum to Fixed Term Lease)

We realize that crime is a genuine concern to all Tenant(s) and take the matter very seriously. For this reason, Tenant(s) represents and agrees as follows:

1. Tenant(s), members of Tenant(s)' household and any guests or other persons under the control of Tenant(s) **shall not engage in any criminal activity, on or near the Premises or Unit or building, including but not limited to, drug-related criminal activity, prostitution, any acts of violence, threatening or intimidating behavior, assault, unlawful discharge of fire arms, or brandishing of any weapon whatsoever, or any breach of the Lease which jeopardizes the health, safety and welfare of other residents, Landlord, or any other person whomsoever, or involves imminent serious property damage.** "Drug-related criminal activity" means the illegal manufacture, sale, use, distribution or possession with intent to manufacture, sell, distribute, or use, of a controlled substance as defined in Section 102 of the Controlled Substance Act (21 U.S.C. 802).
2. Tenant(s), members of the Tenant(s)' household, and any guest(s) or other persons under the control of Tenant(s)' **shall not engage in any act intended to facilitate criminal activity,** including drug-related criminal activity, or illegal defacement of property with graffiti or otherwise, on or near the Premises or building.
3. Tenant(s) and any member of the Tenant(s)' household **shall not permit the dwelling unit to be used for, or to facilitate, criminal activity,** including drug-related criminal activity, regardless of whether the individual engaging in such activity is a member of the household or a guest.
4. Tenant(s) **shall report any drug related activity such as but not limited to drug possession, sales or use taking place in the Premises** or apartment community to Landlord. In the event that the Tenant(s) does not report such activity to the Landlord and Landlord discovers such activity taking place in the Premises and/or unit, then Landlord reserves the right to terminate this Lease and evict Tenant(s) from the Premises.
5. **VIOLATION OF ANY OF THE ABOVE PROVISIONS SHALL BE A MATERIAL VIOLATION OF THIS LEASE AND GOOD CAUSE FOR THE TERMINATION OF THE TENANCY.** A single violation of any of the provisions of this Addendum shall be deemed a serious violation and a material non-compliance with the Lease. It is understood and agreed that a single violation shall be good cause for termination of the Lease. Unless otherwise provided by law, proof of violation shall not require criminal conviction, but shall be by a preponderance of the evidence.
6. In case of conflict between the provisions of this Addendum and any other provisions of the Lease, the provisions of this Addendum shall govern.

## ARBITRATION ADDENDUM

(Addendum to Fixed Term Lease)

1. Any arbitration arising under this Lease shall be adjudicated by and according to the Rules of the American Arbitration Association ("AAA"). The Federal Arbitration Act (FAA) governs this Agreement, and this Agreement is to be interpreted in a manner consistent with the FAA.
2. Arbitration is a dispute resolution process that is entered into by parties in lieu of court proceedings. Similar to court proceedings, parties present their cases to a neutral third party. This neutral third party decides what rights and obligations each party has. There is no jury involved in arbitration. Any decision made by this neutral third party shall be binding upon all parties and enforceable under the full force of law. Cost of arbitration can vary on a case by case basis. More information regarding the arbitration process and a roster of arbitrators can be accessed at [www.adr.org](http://www.adr.org).
3. The following provisions of the California Civil Code are disclosed to Tenant(s) in relation to the tenantability of the Premises and arbitration of disputes or claims arising from the tenantability of the Premises pursuant to Paragraph 16 of the Lease:

[1941.] Section Nineteen Hundred and Forty-one. The lessor of a building intended for the occupation of human beings must, in the absence of an agreement to the contrary, put it into a condition fit for such occupation, and repair all subsequent dilapidations thereof, which render it untenable, except such as are mentioned in section nineteen hundred and twenty-nine.

1941.1. A dwelling shall be deemed untenable for purposes of Section 1941 if it substantially lacks any of the following affirmative standard characteristics or is a residential unit described in Section 17920.3 or 17920.10 of the Health and Safety Code:

- (a) Effective waterproofing and weather protection of roof and exterior walls, including unbroken windows and doors.
- (b) Plumbing or gas facilities that conformed to applicable law in effect at the time of installation, maintained in good working order.
- (c) A water supply approved under applicable law that is under the control of the tenant, capable of producing hot and cold running water, or a system that is under the control of the landlord, that produces hot and cold running water, furnished to appropriate fixtures, and connected to a sewage disposal system approved under applicable law.
- (d) Heating facilities that conformed with applicable law at the time of installation, maintained in good working order.
- (e) Electrical lighting, with wiring and electrical equipment that conformed with applicable law at the time of installation, maintained in good working order.
- (f) Building, grounds, and appurtenances at the time of the commencement of the lease or rental agreement, and all areas under control of the landlord, kept in every part clean, sanitary, and free from all accumulations of debris, filth, rubbish, garbage, rodents, and vermin.
- (g) An adequate number of appropriate receptacles for garbage and rubbish, in clean condition and good repair at the time of the commencement of the lease, with the landlord providing appropriate serviceable receptacles thereafter and being responsible for the clean condition and good repair of the receptacles under his or her control.
- (h) Floors, stairways, and railings maintained in good repair.
- (i) A locking mail receptacle for each residential unit in a residential hotel, as required by Section 17958.3 of the Health and Safety Code. This subdivision shall become operative on July 1, 2008.

1941.2. (a) No duty on the part of the landlord to repair a dilapidation shall arise under Section 1941 or 1942 if the tenant is in substantial violation of any of the following affirmative obligations, provided the tenant's violation contributes substantially to the existence of the dilapidation or interferes substantially with the landlord's obligation under Section 1941 to effect the necessary repairs:

- (1) To keep that part of the premises which he occupies and uses clean and sanitary as the condition of the premises permits.
  - (2) To dispose from his dwelling unit of all rubbish, garbage and other waste, in a clean and sanitary manner.
  - (3) To properly use and operate all electrical, gas and plumbing fixtures and keep them as clean and sanitary as their condition permits.
  - (4) Not to permit any person on the premises, with his permission, to willfully or wantonly destroy, deface, damage, impair or remove any part of the structure or dwelling unit or the facilities, equipment, or appurtenances thereto, nor himself do any such thing.
  - (5) To occupy the premises as his abode, utilizing portions thereof for living, sleeping, cooking or dining purposes only which were respectively designed or intended to be used for such occupancies.
- (b) Paragraphs (1) and (2) of subdivision (a) shall not apply if the landlord has expressly agreed in writing to perform the act or acts mentioned therein.

1941.3. (a) On and after July 1, 1998, the landlord, or his or her agent, of a building intended for human habitation shall do all of the following:

- (1) Install and maintain an operable dead bolt lock on each main swinging entry door of a dwelling unit. The dead bolt lock shall be installed in conformance with the manufacturer's specifications and shall comply with applicable state and local codes including, but not limited to, those provisions relating to fire and life safety and accessibility for the disabled. When in the

locked position, the bolt shall extend a minimum of 13/16 of an inch in length beyond the strike edge of the door and protrude into the doorjamb.

This section shall not apply to horizontal sliding doors. Existing dead bolts of at least one-half inch in length shall satisfy the requirements of this section. Existing locks with a thumb-turn deadlock that have a strike plate attached to the doorjamb and a latch bolt that is held in a vertical position by a guard bolt, a plunger, or an auxiliary mechanism shall also satisfy the requirements of this section. These locks, however, shall be replaced with a dead bolt at least 13/16 of an inch in length the first time after July 1, 1998, that the lock requires repair or replacement.

Existing doors which cannot be equipped with dead bolt locks shall satisfy the requirements of this section if the door is equipped with a metal strap affixed horizontally across the midsection of the door with a dead bolt which extends 13/16 of an inch in length beyond the strike edge of the door and protrudes into the doorjamb. Locks and security devices other than those described herein which are inspected and approved by an appropriate state or local government agency as providing adequate security shall satisfy the requirements of this section.

(2) Install and maintain operable window security or locking devices for windows that are designed to be opened. Louvered windows, casement windows, and all windows more than 12 feet vertically or six feet horizontally from the ground, a roof, or any other platform are excluded from this subdivision.

(3) Install locking mechanisms that comply with applicable fire and safety codes on the exterior doors that provide ingress or egress to common areas with access to dwelling units in multifamily developments. This paragraph does not require the installation of a door or gate where none exists on January 1, 1998.

(b) The tenant shall be responsible for notifying the owner or his or her authorized agent when the tenant becomes aware of an inoperable dead bolt lock or window security or locking device in the dwelling unit. The landlord, or his or her authorized agent, shall not be liable for a violation of subdivision (a) unless he or she fails to correct the violation within a reasonable time after he or she either has actual notice of a deficiency or receives notice of a deficiency.

(c) On and after July 1, 1998, the rights and remedies of tenant for a violation of this section by the landlord shall include those available pursuant to Sections 1942, 1942.4, and 1942.5, an action for breach of contract, and an action for injunctive relief pursuant to Section 526 of the Code of Civil Procedure. Additionally, in an unlawful detainer action, after a default in the payment of rent, a tenant may raise the violation of this section as an affirmative defense and shall have a right to the remedies provided by Section 1174.2 of the Code of Civil Procedure.

(d) A violation of this section shall not broaden, limit, or otherwise affect the duty of care owed by a landlord pursuant to existing law, including any duty that may exist pursuant to Section 1714. The delayed applicability of the requirements of subdivision (a) shall not affect a landlord's duty to maintain the premises in safe condition.

(e) Nothing in this section shall be construed to affect any authority of any public entity that may otherwise exist to impose any additional security requirements upon a landlord.

(f) This section shall not apply to any building which has been designated as historically significant by an appropriate local, state, or federal governmental jurisdiction.

(g) Subdivisions (a) and (b) shall not apply to any building intended for human habitation which is managed, directly or indirectly, and controlled by the Department of Transportation. This exemption shall not be construed to affect the duty of the Department of Transportation to maintain the premises of these buildings in a safe condition or abrogate any express or implied statement or promise of the Department of Transportation to provide secure premises. Additionally, this exemption shall not apply to residential dwellings acquired prior to July 1, 1997, by the Department of Transportation to complete construction of state highway routes 710 and 238 and related interchanges.

1941.4. The lessor of a building intended for the residential occupation of human beings shall be responsible for installing at least one usable telephone jack and for placing and maintaining the inside telephone wiring in good working order, shall ensure that the inside telephone wiring meets the applicable standards of the most recent National Electrical Code as adopted by the Electronic Industry Association, and shall make any required repairs. The lessor shall not restrict or interfere with access by the telephone utility to its telephone network facilities up to the demarcation point separating the inside wiring.

"Inside telephone wiring" for purposes of this section, means that portion of the telephone wire that connects the telephone equipment at the customer's premises to the telephone network at a demarcation point determined by the telephone corporation in accordance with orders of the Public Utilities Commission.

1942. (a) If within a reasonable time after written or oral notice to the landlord or his agent, as defined in subdivision (a) of Section 1962, of dilapidations rendering the premises untenable which the landlord ought to repair, the landlord neglects to do so, the tenant may repair the same himself where the cost of such repairs does not require an expenditure more than one month's rent of the premises and deduct the expenses of such repairs from the rent when due, or the tenant may vacate the premises, in which case the tenant shall be discharged from further payment of rent, or performance of other conditions as of the date of vacating the premises. This remedy shall not be available to the tenant more than twice in any 12-month period.

(b) For the purposes of this section, if a tenant acts to repair and deduct after the 30th day following notice, he is presumed to have acted after a reasonable time. The presumption established by this subdivision is a rebuttable presumption affecting the burden of producing evidence and shall not be construed to prevent a tenant from repairing and deducting after a shorter notice if all the circumstances require shorter notice.

(c) The tenant's remedy under subdivision (a) shall not be available if the condition was caused by the violation of Section 1929 or 1941.2.

(d) The remedy provided by this section is in addition to any other remedy provided by this chapter, the rental agreement, or

other applicable statutory or common law.

**1942.1. Any agreement by a lessee of a dwelling waiving or modifying his rights under Section 1941 or 1942 shall be void as contrary to public policy with respect to any condition which renders the premises untenantable, except that the lessor and the lessee may agree that the lessee shall undertake to improve, repair or maintain all or stipulated portions of the dwelling as part of the consideration for rental.**

**The lessor and lessee may, if an agreement is in writing, set forth the provisions of Sections 1941 to 1942.1, inclusive, and provide that any controversy relating to a condition of the premises claimed to make them untenantable may by application of either party be submitted to arbitration, pursuant to the provisions of Title 9 (commencing with Section 1280), Part 3 of the Code of Civil Procedure, and that the costs of such arbitration shall be apportioned by the arbitrator between the parties.**

## NO SECURITY REPRESENTATIONS

(Addendum to Fixed Term Lease)

**SECURITY POLICY:** We realize that security is a genuine concern to all Tenants. Although there is no way for us to guarantee protection for Tenants who live at our apartment community, we feel that it is important for us to outline the steps that we take with respect to security issues. The most important step we take is to keep you informed of what we expect you to do for yourself. We believe that by keeping our Tenants educated on security, the Tenants will be able to take whatever measures they feel are necessary to protect themselves, their guests and their respective personal belongings. The purpose of this Addendum is to explain the Landlord's security philosophy, and to inform you of the steps you can take to protect yourself.

1. Responsibility for your security. No matter what steps we take with respect to security issues, it is absolutely imperative that you realize that there is nothing we can do to prevent crime from occurring. Unfortunately, crime appears to be a fact of life when living in a major U.S. city. There is no guarantee that any effort by either the Landlord or the Landlord's property manager will in any way increase any Tenant's personal security or the safety of a Tenant's family or guest or their respective belongings. Landlord and its property manager cannot assume responsibility for the criminal actions of third parties. Property staff are not trained police officers and have no greater legal right or ability to stop crime or enforce laws than you do. Your best way to protect against crime is to take any and all precautions you can to respect security issues. It is important each Tenant recognize that it is local law enforcement agencies as well as the Tenant who are responsible for the Tenant's security and the security of all guests. You should contact the local law enforcement agency directly if you are in need of security services. Landlord has no duty of security or personal safety except to proceed with reasonable diligence after notification of a security issue.
2. Security Devices. Landlord will comply with all requirements of state law with respect to providing security devices to units at the property. At the commencement of your occupancy your Premises are equipped with: 1) Window latches on each exterior window; and 2) Doorknob locks on each exterior door. Upon written request to the management office, and at your expense, we will perform additional re-keying or change a security device.
3. Lighting. The property is lit during evening hours. However, no matter how much lighting is provided, we cannot eliminate all potential hiding places in the common areas of the apartment community. If you have occasion to walk around the community at night, we urge you to refrain from walking alone. Also, always attempt to walk in well lit areas. Please report unlit bulbs in common areas to Landlord or property manager.
4. Pedestrian and automobile access gates. Landlord has furnished controlled access gates ("Gates") on the apartment community for the sole purpose of protecting the property of Landlord and not for Tenant's personal security. Tenant acknowledges that these Gates or any similar devices are nothing more than mechanical devices and that they can be circumvented, hurdled, rendered inoperative or break down at any time; the Gates cannot eliminate unwanted intruders with a criminal intent; and the Gates also have no effect on persons who properly gain entry to the apartment community, but then perform criminal deeds. Do not rely upon the access gates for your personal safety or the safety of your guests, occupants or personal belongings. Landlord does not represent that these Gates will increase anyone's personal security. Furthermore, Landlord's installation or use of the Gates does not constitute a voluntary undertaking, representation or agreement by Landlord to provide security for Tenant(s) and his or her guests and/or invitees, nor does it in any way obligate Landlord to continue to maintain the Gates. Landlord may alter or remove gates without notice.
5. Suggestions regarding security issues. We are relying on you to be as cautious as possible with respect to your property and your surroundings. Although you may develop your own security program as you desire, you acknowledge that we have given you the following suggestions to follow:
  - a. Always be aware of your surroundings and use common sense in matters concerning your security.
  - b. Leave a light on in the apartment when you leave. Inexpensive timers are available that can be set automatically operate lights and radios at appropriate times. When planning to be away for extended periods, notify the property manager of your plans and where you can be reached.
  - c. Always make sure that doors and gates close and latch behind you, and notify Landlord or property manager immediately in writing should you discover that the function of any door or gate is impaired.
  - d. Never let strangers into controlled areas of the apartment community. Demand credentials from all maintenance and repairmen, or salesmen before admitting them into your home. Never give out your keys.
  - e. Always contact the local law enforcement agency whenever you are in need of security services. Do not contact the answering service, the management office or any on-site employees as this can only delay response time.
  - f. Keep the telephone number of the local law enforcement agency in a readily accessible place and call "911" in the event of an emergency.
  - g. Get to know your neighbors. Be able to recognize whether there are strangers in your area of the community.
  - h. Contact the local law enforcement agency if you see that your neighbor's security is threatened, and request that your neighbors do the same for you.
  - i. Always lock your unit's doors whenever you leave your unit even if you will be gone momentarily, or when you are in

**The Adler Apartments**

your apartment.

- j. Close blinds at night and keep valuables out of sight.
- k. Always lock your car door whenever it is left unattended in the parking lot.
- l. If you have occasion to walk around the community at night, try to refrain from walking alone.
- m. Be sure that you have sufficient amount of insurance on your own person, and your personal belongings.
- n. Be aware of criminal activity in the area. Immediately report any suspicious persons, strange vehicles or unusual activity to the property manager and/or local law enforcement. Please report any soliciting to property manager as this activity is prohibited.

# BED BUGS ADDENDUM

(Addendum to Fixed Term Lease)

It is our goal to maintain the highest quality living environment for our Tenants. Landlord has inspected the unit prior to lease and knows of no bedbug infestation. Tenant(s) agrees to inspect the Premises within 48 hours after move-in for any signs of bed bugs and agrees to notify Landlord immediately if any signs are present. Tenant(s) represent(s) that all furnishings and other personal property that will be moved into the unit are free of bedbugs.

Tenant(s) initial to acknowledge the foregoing

Tenants have an important role in preventing and controlling bed bugs. Tenant(s) agrees to maintain the Premises in a manner that prevents the occurrence of a bedbug infestation in the Premises. Tenant(s) agrees to uphold this responsibility in part by complying with the following list of responsibilities:

1. Tenant(s) shall practice good housekeeping, including the following:
  - a. Tenant(s) shall check for hitch-hiking bedbugs. If you stay in a hotel or in another home.   - f. Tenant(s) shall avoid using furnishings that have not been thoroughly inspected for the presence of bed bugs.
  - g. Tenant(s) shall report any signs of bed bugs immediately.
2. Tenant(s) shall cooperate with pest control efforts. If the Premises or a neighboring unit is infested with bed bugs, then pest control may be called in to apply pesticides. Tenant(s) shall comply with the recommendations from the pest management professionals including:
  - a. Remove all bedding, drapes, curtains, and small rugs. Bag these and send to a dry cleaner for cleaning.
  - b. Check mattresses carefully. Mattresses with minimal infestation can be cleaned and encased in vinyl while mattresses with heavy infestation shall be sealed in plastic and properly disposed.

  - e. Clean all machine-washable bedding, drapes, clothing, etc. using the hottest water that the machines provide and dry at the highest setting. Take the other items to the dry cleaners.

3. Tenant(s) agrees that Tenant(s) shall bear any costs associated with treating any bed bug infestation in the Premises, unless Tenant(s) informs Landlord of infestation within 48 hours of move-in.
  - a. Tenant(s) shall bear any and all cost(s) of relocation resulting from bed bug infestation (unless reported within 48 hours of move-in to Landlord) whether temporarily to a hotel during treatment or permanently to another unit or property if such relocation is necessary or agreed by all the parties.

## COVID-19 ADDENDUM

This COVID-19 Addendum ("**Addendum**") is made part of the Residential Lease/Rental Agreement ("**Agreement**") dated **November 21, 2021**, between **Yanxin Lu and Xuewei Jiang** ("**Tenant**" and "**you**") and **The Adler Apartments** ("**Landlord**" and "**us**") for the unit at **11950 Idaho Avenue #113, Los Angeles, CA 90025** (the "**Premises**") in the **The Adler Apartments** community (the "**Property**"). To the extent that this Addendum conflicts with the Agreement, this Addendum will prevail.

### 1. DEFINITIONS.

- a. **LANDLORD'S RELATED PARTIES:** The property manager and the respective officers, directors, members, managers, partners, shareholders, employees, affiliates, agents and representatives of both Landlord and the property manager.
- b. **TENANTS'S RELATED PARTIES:** Other co-Tenants, occupants of the Premises, members of your household, your family, guests, agents and others under your control.

2. **COMMON AREA AMENITIES.** If the Premises is part of a multi-family residential complex, various services, equipment and facilities ("**Common Area Amenities**") may be provided for your use at your own risk. Common Area Amenities include all areas and facilities outside of the Premises, within the Property, that are provided and designated by us for the general non-exclusive use of Property Tenants. 4. **ACT CAUTIOUSLY; COMMON AREA AMENITIES MAY NOT BE VIRUS FREE.** While we may take protective measures, we do not guarantee that Common Area Amenities, or the people in them, will be virus-free. The risk associated with Common Area Amenities may be greater than the risk within your household (assuming that no one in your household has COVID-19). To protect yourself and others, act as if Common Area Amenities are not virus-free, and take precautions as recommended by the CDC, WHO, the California Department of Health, and the County Health Department, other governmental agencies, and your health care provider(s), and use common sense. - you assume all risk of harm, and waive all claims against Landlord and Landlord’s Related Parties, resulting from COVID-19, regardless of the suspected or actual cause of COVID-19 at the Property, even if caused by the negligence of Landlord and Landlord’s Related Parties;
- you agree that any COVID-19-related inconveniences will not create a claim for rent relief, nor an offset to your obligations under the Agreement, nor will they be the basis for a complaint, claim, right, or remedy against Landlord and Landlord’s Related Parties.
- you agree that any suspected or actual COVID-19 symptoms or diagnosis experienced or received by any Tenant or any Tenant’s Related Parties shall not constitute a basis for terminating this Lease prior to its expiration date or any temporary or permanent reduction in rent.

**7. CONDUCT AND COMPLIANCE WITH AGREEMENT, LAW AND RULES.** You are responsible for your own actions, and the actions of your Related Parties. You and your Related Parties:

- Must comply with all Landlord rules, regulations, recommendations and instructions (including posted signs and those specified in this Addendum), and all laws, statutes, ordinances, and requirements of all city, county, state, and federal authorities. # INSURANCE ADDENDUM

(Liability Insurance Requirement)

This Agreement is made between **The Adler Apartments** ("Landlord") and **Yanxin Lu and Xuewei Jiang** ("Tenant(s)") with reference to that certain Fixed Term Lease Agreement entered into by and between Landlord and Tenant(s) for the property located at **11950 Idaho Avenue #113, Los Angeles, CA 90025** commencing on **November 21, 2021**.

In the interest of protecting Tenant(s) from potential exposure to catastrophic liability, Landlord requires that Tenant(s) obtain renter's insurance in order to rent at the Property. The following is a non-inclusive list of examples of possible costly misfortunes that, except for special circumstances, Tenant(s) could be held responsible for: a) Tenant's babysitter injures herself in the unit; b) Tenant's defective electrical extension cord starts a fire which causes damage to the building; c) Tenant forgets to turn off the stove and leaves the apartment, causing a fire in the building. Landlord's insurance would NOT cover tenant(s) in the event of a fire caused by Tenant(s) negligence.

Understanding the importance of obtaining renter's insurance, Tenant(s) agrees to obtain and maintain, at Tenant(s) sole expense, during the Term of the Lease and any subsequent renewal periods, a policy of personal liability insurance ("Renter's Insurance"), protecting against liability to third parties with a coverage limit of not less than **\$100,000.00** per occurrence ("Insurance Requirement"). Such liability insurance does not protect Tenant(s) against loss or damage to Tenant(s) personal property or belongings. Therefore Tenant(s) may, at its discretion, also purchase an insurance policy covering Tenant's personal property or belongings.

Landlord(s) retains the right to hold Tenant(s) responsible for any losses in excess of Tenant(s) insurance coverage or for damages not covered. Tenant(s) acknowledge that Tenant(s) is not considered a co-insured of the Landlord and not protected under Landlord's fire insurance.

Tenant(s) further acknowledges that Landlord has made available the option to purchase policies of Renter's Insurance directly from **Assurant Specialty Property**. As a convenience for our residents to obtain this insurance, we partnered with **Assurant Specialty Property**, a leading provider of renters insurance for apartment communities nationwide. However, Tenant(s) is under no obligation to purchase through **Assurant Specialty Property** and can secure coverage through any agency or insurance company of Tenant(s) choice provided such insurance meets the Landlord's minimum requirements. If you arrange your own Renter's Insurance from a company other than **Assurant Specialty Property**, Tenant(s) agrees to provide Landlord with written proof of this insurance coverage. The insurance company is required to provide notice to Landlord within 30 days of any cancellation, non-renewal, or material change in Tenant(s) coverage. To ensure this, the Landlord must be named as an "Interested Party" or "Party of Interest" (or similar language) on the renter's insurance policy. Landlord's insurance company will have rights of subrogation.

Tenant(s) hereby makes the following election with respect to Renter's Insurance (INITIAL ONE):

Tenant(s) agrees to purchase personal liability insurance from **Assurant Specialty Property**. Tenant(s) may access more information about **Assurant Specialty Property** and their insurance products by visiting [www.letsbuyinsurance.com](http://www.letsbuyinsurance.com) or by calling **855-846-9278**.

OR

Tenant(s) agrees to maintain a policy of **\$100,000.00** in personal liability insurance from an insurance company of Tenant(s)' choosing. If Tenant(s) elects to purchase the required personal liability insurance from a company other than **Assurant Specialty Property**, Tenant(s) will provide Landlord with written proof of compliance with this Insurance Addendum on or prior to the Commencement Date of the Lease, any subsequent renewal periods and from time to time thereafter upon Landlord's request.

Tenant acknowledges that failure to provide written proof and maintain the Insurance Requirement shall be a Default in accordance under the terms of the Lease, and Landlord shall be entitled to exercise all rights and remedies at law or in equity. In the event of any conflict between the terms of this Addendum and other terms of the Lease, the terms of this Addendum shall control. Any term that is capitalized but not defined in this Addendum that is capitalized and defined in the Lease shall have the same meaning for purposes of this Addendum as it has the purpose of the Lease.

# MILDEW/MOLD/FUNGUS ADDENDUM

(Addendum to Fixed Term Lease)

It is our goal to maintain the highest quality living environment for our Tenants. To help achieve this goal, it is important to work together to minimize the potential for conditions that could lead to the growth of naturally occurring mold.

Molds and fungi are everywhere in our indoor and outdoor environments. In fact, they play an important and necessary role in decomposition and breaking down of organic matter. There are a number of factors that influence the growth of mold: environmental humidity (including water and dampness), moisture content of materials, temperature, air circulation, light, and the chemical composition of potential substances. Water intrusion can be caused by flooding, backed-up sewers, leaky buildings, humidifiers, plumbing leaks, steam, poor housekeeping, wet clothes, appliances (such as dishwasher and washer/dryer) not properly vented, moisture condensing on windows and on walls in the kitchen and bathroom, inadequate air circulation in the Premises due to closed doors and windows, etc. If there is mold growing, you can reduce its spread by reducing or eliminating the water source, encouraging proper ventilation, and drying out the area.

Please refer to the Tenant Protocol on Household Mold below. Tenant(s) shall be liable for damage sustained to the Premises or the Tenant(s)' person or property as a result of Tenant(s)' failure to adhere to the procedures on the Tenant Protocol on Household Mold.

## TENANT PROTOCOL ON HOUSEHOLD MOLD

Tenants can help minimize mold growth in their apartment homes by taking the following actions:

- Open your windows: Proper ventilation is essential. If it is not possible to open windows, run the fan on the apartment air-handling unit to circulate fresh air throughout your apartment. In damp or rainy weather conditions, keep windows and doors closed.
- If possible, maintain a temperature of between 50 degrees and 80 degrees Fahrenheit within your apartment at all times.
- Clean and dust your apartment on a regular basis as required by your lease. Regular vacuuming, mopping, and use of environmentally safe household cleaners is important to remove household dirt and debris that contribute to mold growth.
- Periodically clean and dry the walls and floors around the sink, bathtub, shower, toilets, windows and patio doors using a common household disinfection cleaner.
- On a regular basis, wipe down and dry areas where moisture sometimes accumulates, like countertops, windows and windowsills.
- Use the pre-installed bathroom fan or alternative ventilation when bathing or showering and allow the fan to run until all excess moisture has vented from the bathroom. Use the exhaust fans in your kitchen when cooking.
- Use care when watering houseplants. If spills occur, dry up excess water immediately.
- Ensure that your clothes dryer vent is operating properly, and clean the lint screen after every use. Do not block any air vents.
- When washing clothes in warm or hot water, watch to make sure condensation does not build up with in the washer and dryer closet: if condensation does accumulate, dry with a fan or towel.
- Thoroughly dry any spills or pet urine on carpeting, and remove standing water on bathroom floors.
- Do not overfill closets or storage areas. Ventilation is important in these spaces.
- Do not allow damp or moist stacks of clothes or other cloth materials to lie in piles for an extended period of time.
- Immediately report to the management office any evidence of mold growth that cannot be removed by simply applying a common household cleaner and wiping the area. Also report any area of mold that reappears despite regular cleaning.
- Immediately report to the management office any failure or malfunction with your heating, ventilation, air-conditioning system, or laundry system. As your lease provides, do not block or cover any of the heating, ventilation, or air-conditioning ducts in your apartment.
- Immediately report to the management office any inoperable windows or doors.
- Immediately report to the management office any musty odors that you notice in your apartment.

Tenant(s) acknowledges having read, understood and agrees to abide by the attached Tenant Protocol on Household Mold.

## UTILITY ADDENDUM

(DISCLOSURE OF TENANT'S FINANCIAL RESPONSIBILITY FOR UTILITIES)

This Utility Addendum is hereby incorporated into the Lease Agreement entered into between Landlord and Tenant(s).

- A.** Landlord and Tenant(s) hereby agree to the billing described below for each of the following utilities and services provided to the Premises and the apartment community (check only if applicable):  Water  Sewer  Trash Removal  Electric  Gas Energy\*  Pest Control  Other: (describe) \_\_\_\_\_ (all of such utilities and services are collectively referred to as the "Utilities").
- B.** Tenant(s)' monthly Base Rent under the Lease does not include a charge for the Utilities. Instead, Tenant(s) shall pay that amount stated in a monthly billing statement received by Tenant(s) each month from a billing service provider designated by Landlord ("Utility Bill").
- C.** Each Utility Bill shall be based on the previous period's actual bills for the Utilities and allocated to Tenant(s) pursuant to an allocation method as further described below.
- D.** Tenant(s) represents that all occupants that will be residing in the Premises are accurately identified in the Lease. Although Tenant(s) does not have the right to allow occupants who are not identified in the Lease to reside in the Premises, Tenant(s) agrees to promptly notify Landlord of any change in such number of occupants.
- E.** Amounts due for utility services that are billed by our billing service provider are considered additional rent and to the extent permitted by law, any delinquent payment of a Utility Bill shall be considered a default under the Lease to the same extent and with the same remedies to Landlord (including, without limitation, the right to bring an unlawful detainer action for eviction against Tenant(s) and the right to impose late fees and other related charges and fees) as if Tenant(s) had been delinquent in Tenant(s)' payment of Base Rent.
- F.** Tenant(s) will be charged for the full period of time that Tenant(s) was living in, occupying, or responsible for payment of rent or the Utilities for the Premises. If Tenant(s) breaks or breaches the Lease, Tenant(s) will be responsible for all charges for the Utilities through the time that Tenant(s) vacates the Premises. When Tenant(s) vacates the Premises, all charges for the Utilities must be paid by the move out date. To the extent permitted by law, any unpaid charges for the Utilities at the time of move-out will be deducted from the Security Deposit being held by Landlord under the Lease.
- G.** Tenant(s) acknowledges that Landlord makes no representations or warranties regarding the actual or estimated utility rates or costs associated with the provision of utility services to the premises or the communities.
- H.** Tenant(s) further agrees that it is impractical or extremely difficult to determine the exact amount of utilities consumed by residents (and/or in the common areas) but that the methods described herein used to determine Tenant(s)' share of the Property's actual Costs, which may not reflect Tenant(s)' actual usages are fair and reasonable.
- I.** Landlord is not liable for any losses or damages Tenant(s) incurs as the result of outages, interruptions, or fluctuations in utilities provided to the Premises unless such loss or damage was the direct result of gross negligence of Landlord. Tenant(s) releases Landlord from any and all such claims and waive any claims for offset or reduction of rent or diminished rental value of the Premises due to such outages, interruptions, or fluctuations.
- J.** Because many utilities have long billing cycles, Landlord may not have the actual utility bill in hand at the time Landlord processes Tenant(s) move-out charges. In that circumstance, Landlord reserves the right estimate the utility charges for Tenant(s) based on typical or average consumption.
- K.** The apartment community's utility costs may be reduced by some percentage for allocation of common area usage, which cost is absorbed by the Landlord, thus reducing the amount of the bill allocated to individual tenants. The amount of common area deduction ranges from 0%-25% of the total charges. As this charge is difficult to estimate, Landlord is using a conservative number. Notwithstanding, Tenant(s) may be paying some portion of common area usage.
- L.** Tenant shall pay for water and sewer service based on water consumed in Tenant's unit. Specifically, Tenant's bills will be calculated as follows: A water submeter is installed in the Tenant's unit to measure the total amount of water used in the unit. Water and sewer bills will be calculated by multiplying the submetered usage by a utility rate based on the utility rates of the local utility provider (which may include base or fixed charges). Tenant acknowledges that the rates paid for water and sewer service may not match the rate of the local water utility (as that rate may not be appropriate to charge to an individual unit), but that the rates used are designed in a manner to allocate Landlord's actual water and sewer costs to the apartment units. Tenant acknowledges that Tenant may be paying for some water and sewer charges attributable to common area usage.
- M.** All water and sewer related charges assessed to the Landlord/Agent may be used to calculate the amount charged to each Tenant under the selected formula described above, including, but not limited to, stormwater charges, drought surcharges/penalties, water or sewer related charges contained on tax bills, and all miscellaneous charges contained on

the utility bills received from the local water and sewer providers.

- N. Tenant shall pay for gas to heat water service based on an allocation formula, not actual meter reads. The gas to heat water bills received by Landlord from the local utility(ies) will be used to calculate the charges per apartment unit based on an allocation method. Specifically, Tenant's bill will be calculated in the following manner: The Landlord's gas to heat water bills will be allocated to each apartment unit based on a percentage assigned to each apartment unit based on the number of occupants in that apartment unit compared to the total number of occupants at the property. For purposes of this calculation a unit with one resident will be considered to have one occupant; a unit with two residents will be considered to have 1.6 occupants; and any additional occupants in the unit will be considered .3 additional occupants. Resident's bill will be equal to the calculated monthly percentage multiplied by the Landlord's water and sewer charges.
- O. Tenant shall also pay for trash service to the property based on an allocation formula. Specifically, the Tenant's bill will be calculated in the following manner: the property's trash bills will be allocated to the apartment units based on the square footage of each apartment units compared with the total square feet of all occupied apartment units at the property.
- P. Tenant shall also pay for pest control service by the third party billing provider. Tenant's pest control service at the Property will be billed at a flat rate of **\$2.00** monthly, which amount represents the approximate per apartment unit cost incurred by Landlord for pest control as of the date the lease was signed.
- Q. Tenant shall promptly contact the local gas and/or electric utility(ies) to establish an account in Tenant's name for the provision of gas and/or electric service to Tenant's unit. Tenant shall ensure that the start date for each such account is Tenant's move-in date. In the event Tenant fails to timely establish utility/services (or utilities/services are transferred back to Landlord during the term), Landlord may charge Tenant for any utility/service billed to Tenant with respect to the unit and may charge a reasonable administration fee (for each month or part thereof) for billing of the utility/service in the amount of **\$25.00**.
- R. Each bill will include a monthly billing fee of **\$3.75** in addition to the water, sewer, gas (to heat) water, pest control and trash charges. This monthly billing fee is for administration, billing, overhead and similar expenses charged to Landlord by the third party billing provider for providing billing services and may be increased (with 30 days written notice provided to Tenant) if Landlord expenses increase. Tenant also agrees to pay a one-time account processing fee in the amount of **\$1.95** when Tenant vacates the apartment unit. This fee shall be included on Tenant's final bill. This fee is for administration, billing, overhead and similar expenses charged to Landlord by the third party billing provider for processing the final bill.
- S. The billing methods described herein may be changed by Landlord/Agent by providing Tenant with 30 days prior written notice and Tenant acknowledges that in certain situations it is necessary to make a change to the billing method. Tenant agrees that Landlord/Agent may estimate any and all charges above upon Tenant's move-out (and such amounts shall be deemed final).
- T. The bill will be sent to Tenant by Conservice, a third party billing provider. Tenant acknowledges that the billing provider is not a public utility. Landlord reserves the right to change the third party billing provider at any time.
- U. Tenant must make payment in full to Landlord or the utility billing company of the utility charges prior to the due date listed on each bill. Landlord and Tenant agree that the actual cost to Landlord and/or billing provider when Tenant fails to pay the utility bill on time is difficult or impossible to ascertain, but the parties agree that Landlord and/or utility billing provider does, in the event of a late payment, incur certain costs, such as additional bookkeeping and administrative charges, additional charges from the third party billing provider, costs in printing and mailing late notices, etc. Accordingly, Landlord and Tenant agree that if the payment is received after the enumerated due date then: Tenant shall immediately pay a late payment in the amount of **\$7.00**, which is a reasonable estimate of the costs incurred.

The undersigned Tenant(s) acknowledge(s) having read, understood and agreed to the foregoing.
