Part 8, General Eligibility and Inadmissibility Grounds

Page 13, Part 8, Item 56: Have you **EVER** been a member of, or in any way affiliated with, the Communist Party or any other totalitarian party (in the United States or abroad)?

Yes. I was a member of the organization called Young Pioneers from September 1997 to October 2005. This was a mandatory group during primary school. When I reached high school age, I was automatically placed in the next organization, called Communist Youth League from October 2005 to December 2008.

I was never an active member of the Communist Party.

I am no longer a member of, or in any way affiliated with, nor have I been involved with, any Communist Party or affiliated organization since 2008. My membership lapsed automatically six months after graduation without paying membership fees. I currently do not support or subscribe to the beliefs of any Communist Party or affiliated organization.

I certify under the penalty of perjury that the foregoing is true and correct.
